Role: Co-Investigator (with P. Wu & G. Koop)
Funding awarded to host Prof. Dan Zhu (Monash University) for research collaboration in Bayesian econometrics. £1,000
- GCRF PhD Studentship, University of Strathclyde** 2019
Role: Award Holder
Doctoral scholarship supporting PhD research in Management Science (Bayesian topic modelling and statistical learning for textual data). £100,000

KNOWLEDGE EXCHANGE

- Strategic Expansion Analysis: M&A vs Organic Growth for Uber Eats (EMEA)** 2026
Role: Academic Supervisor
Industry Partner: Uber Technologies Inc. (with P. Kelen)
Supervision and development of postgraduate consultancy projects developing a strategic decision-support framework for Uber's EMEA delivery expansion, evaluating acquisition-led, organic, and hybrid growth scenarios.
- Nuclear Fuels Supply Chain & Bid Strategy for the UK Defence Investment Plan** 2026
Role: Academic Supervisor
Industry Partner: Frazer-Nash Consultancy (with D. MacInnes)
Supervision of 6 commissioned postgraduate dissertation projects on modelling to support Frazer-Nash's consortium bid for the UK's £1.7bn Nuclear Fuels Programme.
- Risk Analysis for Nuclear Reactors in Scotland** 2024–2025
Role: Academic Supervisor
Industry Partner: Frazer-Nash Consultancy (with D. MacInnes)
Supervision of 11 commissioned postgraduate dissertation projects on risk analysis and decision-making for nuclear reactor deployment in Scotland.
- Risk Analysis for Braking Systems in Nuclear Submarines** 2024
Role: Academic Supervisor
Industry Partner: Frazer-Nash Consultancy (with D. MacInnes)
Supervision of 6 commissioned postgraduate dissertation projects on reliability and risk analysis of braking systems in nuclear submarines.
